JUNIOR FASHION JUNKIE

Bobo Choses clothes are always playful and fun so it's exciting to see a collaboration with Chispum. The capsule collection of wallpapers has some excellent designs. My favourite? Waves print from the Spring/Summer 2015, Guess Who's Coming for Breakfast, available in yellow and blue. bobochoses.com

FAMILY FESTIVAL

So, if you're honest, you've grown out of Glastonbury, but the new breed family festivals combine cool and convenience so you don't have to miss out on the fun (or pretend to enjoy camping and queuing). Our favourites? The arty and boho Wilderness Festival in Oxfordshire (August 6-9; wildernessfestival.com) and Camp Bestival in Dorset (30 July to 2 August; campbestival.net). Grab a day ticket and book a nice boutique hotel. Win-win.

BUNK UP

I love the new Scandinavian children's furniture range from Oliver. Top of my wish list is this high loft bed. Stylish oak and white, with clever benches underneath for seating and storage, it's the perfect growing-up bed. £1,725. cuckooland.com

Instant uplift

I've recently discovered Ana Moly wallpapers – PEFC certified, meaning only sustainable forests are used, and using non-toxic organic inks, which are non-carcinogenic. Nice idea, nice patterns. ana-moly.co.uk

STEALTH HEALTH

Fertility expert Zita West and parenting blogger Leo Bamford have joined forces to create a new range of vitamins for babies and children. £29.95 for a three-month supply. zitawest.com
